“Spirit of the Game”

2012 Winner

Traeger Davison

Each year at the end of the Arapahoe Youth League Football Season, a “Spirit of the Game” award is given to a player from a Parker Hawks CFC or AFC 10-year old age group football team. The head coach of each of these teams selects the player that matches the characteristics for which this award was created. Each nominee receives an award at half-time of the AYL 10-AFC Super Bowl game.

The 2012 winner of the “Spirit of the Game Award” **Traeger Davison** received a \$250 “Logan Bauman Memorial Fund Sponsorship”. These funds can be used to waive any portion of the Parker Hawks entry fee, and/or, supplement the cost of equipment purchased from any Parker Hawks authorized vendor/reseller.

Coach Brian Moss Nomination: Describe the reasons that the award recipient was chosen. How does the recipient represent the "Spirit of the Game" both on and off the field of play?

I am pleased to nominate Traeger Davison for the 2012 Spirit of the Game award as the Hawks Pacific representative. Trae was selected because of his positive approach to football and life. He exhibits unwavering support of his teammates as both a motivational and emotional leader on and off the field. On the field, he is the first one to encourage a teammate that may be having a hard time with a drill or congratulate someone on their success. He is an extremely hard worker that gives 110% encouraging others to do the same. Off the field, he represents his team and his family with a positive attitude toward school and home responsibilities. He is always smiling even in the face of adversity and never believes that it is time to give up. I've had the privilege of coaching Trae for three years now and he exhibited these qualities even at 8 years old. Trae represents the best of what we want young people to be and I can think of no one more deserving for this special recognition.

Mr. and Mrs. Bauman,

Hello, it's Traeger Davison. I would like to tell you how much I appreciate getting the Logan Bauman award. Getting that award was such an honor. I know receiving this award will affect me a lot by working very, very hard at school, football, and life. I know that many kids in their lifetime will not get an award like this, so it is so cool and so special to get this award. I will thrive to work harder each year and set personal goals to challenge myself. I understand the responsibility that the recipient of this award holds. I intend on making your family proud by honoring your son's name. I am so very sorry for your loss and very thankful that you saw some of your son's characteristics in me. I promise to use this opportunity to share with my teammates the positive effect of good sportsmanship, effort and a positive attitude. I intend on sending you next year's football schedule and would love to see you at one of my games.

I won't forget what your son stood for, thanks again for selecting me this year to carry on his legacy.

Thank You,

Traeger Davison
