

"Making a difference in someone's life every day"

Greetings to all of our Friends and Family,

We hope 2017 was a year filled with much joy and good tidings, and we wish all of you a very blessed New Year filled with prosperity, good health and happiness.

The 9th Annual LAB Memorial Golf Tournament, our yearly fund-raising event, was held on June 26th, 2017 at Blackstone Country Club. We had 37 foursomes participate in the golf tournament this year and the BBQ/Auction was once again a huge success. We are truly grateful for the support and generous giving from so many that continue to attend the tournament year after year, and extremely thankful for the volunteers who help made the day a pleasant and triumphant one!

HEADED BACK TO NEBRASKA FOR 10th ANNUAL - SAVE THE DATE! It is hard to believe that we will be hosting our 10th Annual Memorial Golf Tournament. We are going back to Nebraska to Logan's home course Enders Lake Golf Course, and the Imperial Golf Course for a two-day tournament to be held on June 30th and July 1st, 2018. Additional information will follow although please feel free to obtain details on Logan's website. We hope to see you all in Nebraska!

As you all know, Regis Jesuit High School "sponsor-a-student" program is near and dear to our hearts and remains the cornerstone of our foundation. Since starting the foundation, we have had three students graduate from RJHS and have our fourth student Madison Munger completing her junior year this spring. We welcomed our new sponsor student Jovonnie Bautista this fall as a freshman in the boy's division.

Since starting the foundation in 2009, we have distributed over \$250,000 to over 30 plus different recipients/organizations. We thank each and every one of you for your continued support and dedication for keeping Logan's legacy alive and being able to provide so many wonderful opportunities for our recipients.

Other 2017 Highlights:

- Work continues on our recent project of installing "Buddy Benches" at some of the local elementary schools. The Buddy Bench is designed to offer opportunities to help eliminate loneliness for young children and encourage the development of friendship

among them. We think it's a great way to foster our motto of "making a meaningful difference in someone's life every day", and hopefully help encourage inclusivity and empathy in all people.

- A donation was made to Team Hot Wheels, an amazing group of elementary students that have been on a quest to raise money to fund a skate park in Imperial, NE
- Financial support continues to be provided to Hawks football players that cannot afford registration fees and equipment
 - LAB 21 Coaches Fund reached outside of Hawks program and delivered bags to teams that participate in Denver Police Athletic League and Alameda Football Programs
- Since our involvement with Student Athlete Showcase we have assisted helping 39 student athletes by pursuing their dream to play at the college level.
- We continue to be very active in SW Pheasants Forever Youth Hunting, Boys and Girls Club, Score Camp and a number of other activities

Please accept our sincere appreciation for your continued participation and assistance with our endeavors to continue to provide opportunities for students in their academic and athletic undertakings.

Sincerely,

Andy, Karla and Alyse Bauman
